Vestry Corner

My name is Doug Sward. I am a member of Vestry. I am also the Building and Grounds Chair.

I thought I would take this opportunity to talk "Green" for just a minute. You may not know this but St James does have solar panels on the roof. We save approximately \$1400 annually on our electric bill. St James was able to install the solar panels thru a grant from Blue Sky Rocky Mountain Power) in 2014.

We are also replacing incandescent light bulbs with more efficient LED bulbs where they are a direct replacement. We have replaced some fixtures to accommodate LED bulbs. More fixtures and bulbs will be replaced as fixtures fail and the budget permits.

May 20

Between 8 & 10 am worship.
Wear **Red**, the color of the Spirit
(even if you are at the parish
camping trip :)

Come celebrate our youth and their wonderful teachers! Ice Cream Social to follow. Yum!
